

TRIAD

JT Paintball is excited to announce the release of the all new Triad High Performance Paintball Loader.

Engineered for the elite level athletes in the game, the new Triad loader is designed to maximize speedball loading performance allowing you to just focus on your game.

The Triad's cutting edge advanced electronics make it super gentle on paint and its simple stealthy tool-less design allows easy cleaning and maintenance. An innovative unique interior shell lock slide that keeps the lid shut no matter how aggressive you dive, sets this loader apart from competitors.

Additional features include a patented magnetic clutch, 1 touch and sound activation, a standard dual lid speed feed, Jam-free feeding are just some of the features that makes this loader a speedball contender.

Experience efficiency on a whole new level with the most advance loader JT has ever designed; TRIAD.
